1. INTRODUCTION

TopTier Education Consultant is one of Bangladesh's most trusted and legally grounded international education consultancies, established in 2023 and headquartered in Banani, Dhaka. Founded and led by Barrister Muhammad Omar Soeb Chowdhury — an Advocate of the Supreme Court of Bangladesh and a Barrister-at-Law called to the Bar by the Honorable Society of Lincoln's Inn, London — the firm brings a unique combination of legal rigor, ethical commitment, and student-centered service to the international education sector.

TopTier was established with a singular mission: to connect Bangladeshi students with world-class universities abroad, transparently and efficiently, while safeguarding them from the fraudulent practices that have historically plagued the consultancy industry. In a short time since its founding, the firm has already placed over 700 students at universities in 11 countries, with more than 20 successful student visa approvals secured every month.

"Our goal is to provide precise, efficient, and seamless services — ensuring students can achieve their dreams of studying abroad without undue stress or complications." — Barrister Omar Soeb Chowdhury, Founder & CEO
